

**Amendments to the Drawings**

Please replace the drawing sheet showing Figure 1 with the attached Replacement Sheet drawing showing Figure 1. Applicants submit that no new matter has been added. Figure 1 was amended to include a center line and reference numeral 28. Support for this amendment can be found in paragraph [0038], as numbered in the substitute specification, submitted herewith.

**Remarks**

Entry of this amendment is respectfully requested prior to examination of the application. Applicant notes that the specification has been amended strictly to ensure closer compliance with U.S. patent practice. Paragraph numbers, headings, drawing descriptions and reference numerals have been added.

Applicant notes that the claims have been amended strictly to ensure closer compliance with U.S. patent practice and not for a reason related to patentability or for a reason related to distinguishing the invention over any known prior art reference. Accordingly, Applicant submits that no estoppel should apply to any feature recited in any of the so amended claims.

Authorization is hereby given to charge any fees necessary for the consideration of this preliminary amendment to deposit account No. 19-0089.

Should the Examiner have any further comments or questions, the Examiner is invited to contact the undersigned at the below-listed telephone number.

Respectfully submitted,
